FOREWORD

Came a minor, Forty-Niner . . . Yes, doesn't it seem just like yesterday that we first entered Lewistown High School? Yet, here we are, almost ready to leave. Our days at L.H.S soon will be "lost and gone forever." However, looking back, how much has happened in that time! How many memories we will take with us!

Therefore, in order to help to preserve those memories and to remind you of the many happy days spent here in L.H.S., we, the class of 1949, present this Lore, which we hope will give you many "Golden Memories of the 49ers."

We hope that these accounts in pictures and in words of the activities will serve as reminders of the deeper, more significant things—things like the fun and the fellowship with our friends, like the guidance and the helpfulness of the teachers, like the struggle to make better grades, like the hard work that made almost every activity a success, whether it was a student council dance, a 100% banking record, or some sport—things like the excitement of a decisive basketball game, like the game of all games with Huntingdon—things such as these have made our school life what it is, and we hope that we have done a little bit toward helping you to retain the memory of them.

GOLDEN MEMORIES

OF THE 49'ERS

GOLD IS WHERE YOU

MR. WILLIAM A. HOWE, B.S., M.A.
Senior Science and Chemistry

We, the class of Nineteen Hundred Forty-Nine, sincerely dedicate this, our Lore, to Mr. William A. Howe.

Whenever we think of Mr. Howe, we think mainly of hall patrol, chemistry class, and basketball games; and then to our minds come memories without end. Mr. Howe was a familiar sight in the halls, checking up to see whether those people were supposed to be wandering around waving to their friends who were having band, orchestra, or assembly practice. There were also the basketball games where one was sure to see him taking care of the task of selling tickets to those who didn't have activity books. Last but not least, come to our minds those many familiar scenes in chemistry class; namely, his amusement as he watched us scurrying to complete our lab. manuals at the last minute; those experiments that didn't always work out as they should as evidenced by the terrible smells, the smoke-filled room, the explosions, and, in the midst of it all, Mr. Howe patiently explaining that it was customary to take the cork out of a test tube before heating it; his keen sense of humor, especially during those experiments; and, above all and through all, Mr. Howe's guidance leading us to a clearer, more comprehensive knowledge of chemistry.

By this dedication we wish to express our sincerest respect and admiration for Mr. Howe, a fine teacher, and to thank him for the excellent work that he had done for our class and for Lewistown High School.

FIND IT

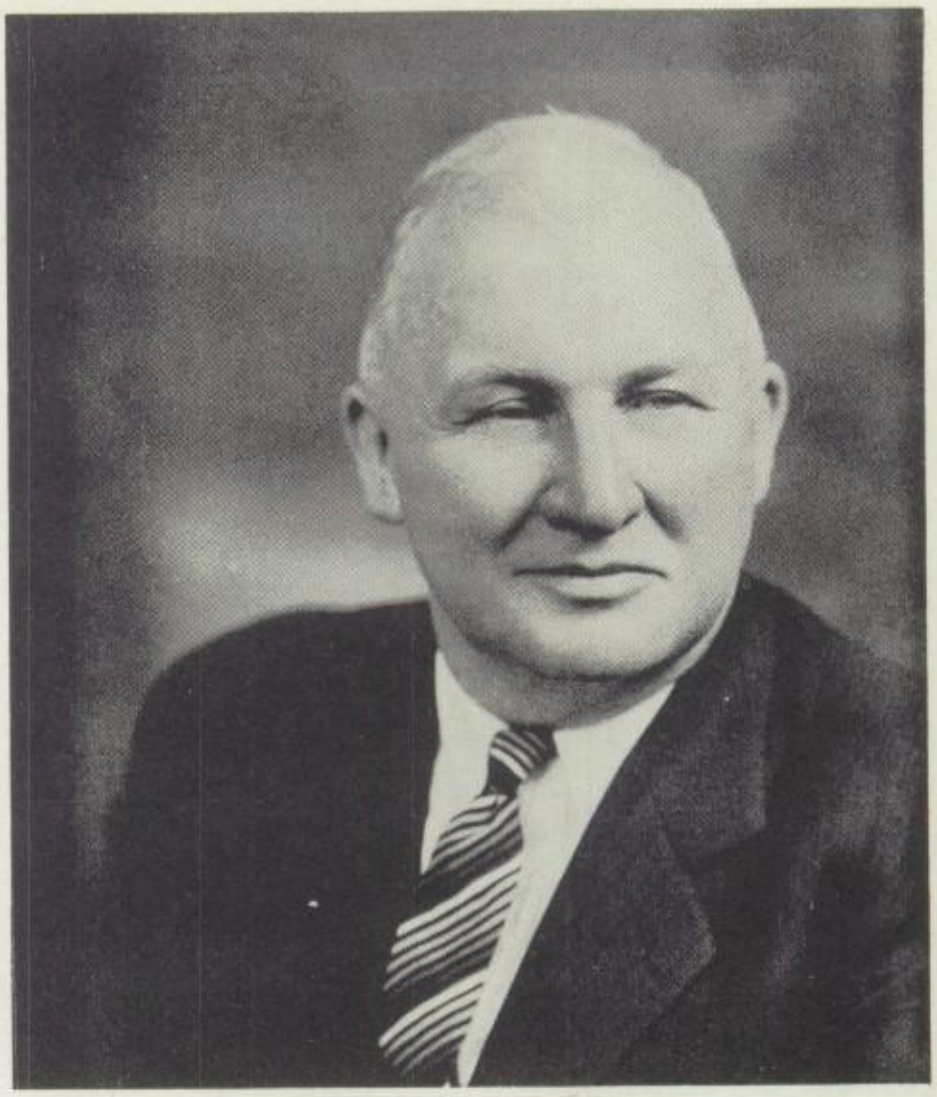
With loving memories we commemorate this portion of the 1949 Lore to Palmer S. Mitchell, who departed this life on the morning of October 29, 1948.

Mr. Mitchell will be missed in State music circles as well as in the music circles of L.H.S., for he played with Frank Simon, Edwin Franko Goldman, and John Philip Sousa, being a personal friend of the latter. "Prof," as he was lovingly called by his associates and students at L.H.S., also played for gubernatorial and presidential inaugurations. In fact, he was one of the outstanding musicians of the state.

Loved and respected by the entire student body, "Prof" was pure gold in the eyes of the members of the L.H.S. Band. Always with them through thick and thin, he shared their joys and their sorrows, and was continually pledging his support to them. He was their teacher, advisor, well-wisher, and confessor.

Our "Prof" hasn't left us entirely alone—we have his music and his courage to help bridge that aching emptiness. He will live on in our hearts and in our memories as long as there is music.

M.E.K.



MR. PALMER S. MITCHELL, B.S.
Instrumental Music

We, the class of 1949, wish to express our deepest respect and admiration to the memory of Mr. William E. Runkle, Director of the Vocational Industrial Department, who died suddenly of a heart attack at his home on Tuesday, February 1, 1949.

Mr. Runkle came to Lewistown twenty-one years ago and was employed by the American Viscose Corporation for three years. In 1932 he became associated with the Vocational Department and, after a short time, he was elected Director of the department.

In the field of Vocational Education, he was a respected and well trained leader, having graduated from Pennsylvania State College with Bachelor of Science and Master's degrees. He was a keen humorist and was always ready for fun. Although he was very busy with the administrative demands of his day and night classes, he was always ready to lend a helping hand in any situation.

Not all of his activities were in the Vocational field; he was also a veteran of World War I, a deputy chief of staff at the 11th Annual Convention of Department of Pennsylvania Disabled Veterans, a member of the Masonic Order, a member of the Mifflintown Tall Cedars of Lebanon, a member of the American Legion, and the Veterans of Foreign Wars, Post commander of the Disabled American Veterans, a member of St. John's Lutheran Church, a member of the Ich Dien Bible Class of the Sunday School, a member of the Kiwanis Club, and a member of the Lewistown Country Club.

Mr. Runkle was active in school duties and civic and social affairs in the community. He will be remembered by all his associates and students as a Churchman, an Educator, and a Soldier.

OUR JOURNAL

Looking back to the year 1946, we, the forty-niners, entered the Senior High School as "perplexed" Sophomores. At first, things were not so bright, as we had many problems which confronted us. It wasn't long, before everyone was taking some active part in our school activities. During this time, we elected the following officers: President, James Zeigler; Vice-President, Mary Foucart; Secretary, Mary Kearns; Treasurer, James Houser. The greatest event of the year was the Sophomore Class Party. The gym was beautifully decorated by the appointed committees. For the first time, we elected a king and queen to reign over our May dance. They were Joe Shirk and Pat Leeper.

We returned to L.H.S. the following year after waiting patiently for eleven years for the time when we would be eligible for certain honors bestowed upon the Juniors. Again we elected officers, who were as follows: President, Mike Battista; Vice-President, Betty Bigelow; Secretary, Nancy Kaup; Treasurer, Clyde Shores. The class of '49 had many boys who took part in sports, and who were also members of the Varsity teams.

The time had come to order our class rings, hats, pennants and pins, and choose our class colors, which were Maroon and Gold. The day that we had all looked forward to finally arrived, our Junior Prom. Many weeks had been spent in getting our decorations ready. The theme which we used was "The 49ers." We had one of the most successful proms ever to be given in the high school.

Time rolled on, and back to L.H.S. we marched, as dignified Seniors. This year we elected the following officers: President, Mike Battista; Vice-President, Betty Bigelow; Secretary, Wanda Wise; Treasurer, Clyde Shores. Now we are eagerly anticipating our Class Play, Senior Day, Commencement and the Dinner-Dance.

To our advisors, Miss Lack, Mr. Lontz, and Mr. Engle, we wish to express our thanks and appreciation for our success.

We shall be leaving L.H.S. in the very near future, and going forth into the community as good citizens. We shall never forget the Democratic spirit of instruction in our schools.

But most of all, we have gained new friends and a world of experience, which we shall never forget. We carry with us the satisfaction of having realized that we have done our best in upholding the standards of our school. And as we leave the portals of L.H.S., each member of our class of '49 carries in his heart the deepest respect for our Alma Mater and for all those who have contributed to making our class an outstanding success.

OUR BEST TO YOU

Dear L. H. S. we are leaving you; to our memories

we will ere be true.

Remember when our school days are done,

Don't forget the fun of the games and the dances;

And thro' the years save the souvenirs, from the

prom and play and graduation day.

As we bid adieu, L. H. S. to you,

Here's hoping our dreams all come true.

In September of 1947, we, the class of 1950, entered the Senior Department with great enthusiasm and many ideas on how to make our next three years in the Senior Department as successful as the three eventful years we had just completed.

We started our Sophomore year by electing the following officers: President, Dick Wagner; Vice-President, Jean Lutz; Secretary, Barbara Graham; Treasurer, Paul Pacini. With the help of these officers and the class advisors, our Sophomore class party was a big success. By the end of our Sophomore year, many of our class members had taken part in the Varsity and J. V. sports.

At the beginning of our Junior year, we

STUDENT COUNCIL

The Student Council for the school year 1948-49 was a tremendous success. With the 49ers at the helm, the following officers were elected: Nancy Kaup—Girl President, James Zeigler—Boy President, Pat Newman—Girl Representative and James Houser—Boy Representative.

Banking, Activity Tickets, Athletics and different community affairs fell into the category of activities which were acted upon by the Student Council. Under these various activities, came the operating of the concession stand at the football field.

This year the Student Council Conference was held at Altoona. Those attending were our two presidents, June Peterson from the Junior Class, and Herb Wertz from the Sophomore Class.

We wish to express our appreciation to Miss McCauly and to Mr. Riden for their help in making our Student Council a success.

BANKERS

The Forty-Niners are proud to say that they are not gold-diggers, but savers. During the three years they have spent in Senior High School, they have had a 100 per cent record. This is a record to be proud of, and we hope future classes of L.H.S. will keep up this record.

Under the capable supervision of Mr. Houser, the bankers have carried on their fine work of getting everyone to bank each Wednesday.

The Activity Ticket is a very inexpensive way for students to attend different school activities. The Activity Ticket entitles the owner to attend all home football and basketball games, wrestling matches and other activities, such as dances and concerts. The owners of Activity Tickets are also entitled to eighteen issues of the school paper, "Maroon and Steel."

During the year 1948-49, 770 Activity Tickets were sold. When we consider the number of tickets sold, we can very easily see that the student body recognizes the value and advantage of purchasing an Activity Ticket.

Editorials

Under our capable director, Mr. Hetrick, the 1948-49 Maroon and Steel had a very successful year.

This year, as before, the paper was published every two weeks. The Christmas issue was a very special one, which was printed on six pages in red and green. The Commencement issue, was also larger than usual.

The exchange editor had very interesting material, which was taken from the papers of 60 other schools. The idea was a great aid in helping our school to become better acquainted with other high schools. Issues of the Maroon and Steel were also sent to the Alumni of L.H.S., who wanted copies of the paper.

The graduating members of the Maroon and Steel staff wish to thank everyone who helped to make the paper a success, and we wish the future staff the best of luck.

TRI-HI-Y

The Alpha and Beta Tri-Hi-Y's have had a very successful year under the capable leadership of Miss Dorothy Stimely, Mrs. Marthouse and Miss Helen Benfer. Some of our activities were a talk on India, etiquette discussions, a swimming party and serving at various banquets at the Y. M. C. A.

The Alpha officers are: President, Joan Riden; Vice-President, Wanda Krule; Secretary, Barbara Graham; Treasurer, May Jane Mattern.

The Beta officers are: President, Beverly Crownover; Vice-President, Joan Eberts; Secretary, Phyllis Mellinger; Treasurer, Gladys Arnold.

We sincerely hope that the future Tri-Hi-Y girls will have as successful and pleasant a year as we have had this year.

HI-Y

The Dixon Hi-Y met early in the year, and elected the following officers: President, Ronald Cherry; Vice-President, Reid Leopold; Secretary, Joe Shaffer; Treasurer, Duane Brode.

One of the aims of the Dixon Hi-Y was to contribute $100.00 to the World Service Fund. The club raised this money by chartering buses to football and basketball games. Also on the club's program, were talks given by members of the local churches. The club has also had several parties and outings.

FOOTBALL

A glance at the record of the 1948 L.H.S. gridders indicates that the team has established an outstanding record—a record that will undoubtedly remain in our minds as one of the "Golden Memories" of the school year 1948-1949.

The Panther team, in defeating Selinsgrove and Bellefonte and losing to a Tyrone team that was generally rated as one of the strongest teams in Pennsylvania, was not the well-girded unit that went on to unforeseen heights and climaxed a brilliant season. However, using the Tyrone defeat as an inspiration rather than a discouragement, they rolled over Mt. Union, State College and DuBois with little trouble.

The Danville encounter deserves special mention for this game established the Panthers as a team that could be counted on to come from behind and win. Trailing 12-7 in the final period because of many fumbles and penalties, a determined L.H.S eleven drove for two scores to come out on the long end of a 21-12 score.

After subduing a surprisingly strong Clearfield eleven, the Panthers entertained the Lock Haven Bobcats in the last home game for fourteen seniors. Reaching their greatest heights of the season, the Panthers sent more than four thousand surprised spectators from Mitchell Stadium when they outplayed a favored Lock Haven team, but had to settle for a 6-6 tie.

Perhaps the game that the fans and players will remember longest is the Lewistown-Huntingdon encounter that brought the curtain on the 1948 season. In the past forty years of keen football rivalry between the two schools, L.H.S. had not won a single game. With both teams "up" for the game, the Panthers and Bearcats battled on virtually even terms in a sea of mud until the final seconds, when the Maroon and Steel drove forty yards for the winning touchdown. This 20-13 victory will long be remembered by everyone.

Much of the team's success is due to our able coaches, Alex Ufema and Joe Sicchitano, who spent long hours drilling the team on the fine points of the game. To the coaches, the players and student body: "Thanks, for a job well done."

BASKETBALL

For the first time in the history of L.H.S., a Maroon and Steel Varsity quintet played undefeated ball, and for the ninth time in the history of the school, won the coveted Mountain League Championship.

After winning the first nine pre-league games and averaging better than sixty points per game, the Panthers opened the Mountain League at Philipsburg with a 47-25 win. Continuing through the Mountain League schedule, the boys remained undefeated and wound up the season with a 41-33 victory over Mt. Union.

By winning ten straight Mountain League games, the Panther quintet was able to compete in District 6 eliminations.

Lost by graduation to next year's team will be co-captains Jim Houser and Norm Fleisher, John Rhodes, Ed Shore, Stew Tomlinson, Dick Webber, Joe Shirk, Jim Zeigler, Bernard Dates, Henry Stevenson and Leroy Smith.

Our hats are off to Coach Alex Ufema for his tireless whole-hearted efforts to make Lewistown a power in Central Pennsylvania basketball circles.

SOCCER

Early in September, 26 candidates reported to our new coach, D. Roy Hoenstine. Of these, only five were lettermen. After a slow start, we went on to finish the season in third place in the Mifflin-Juniata High School Soccer League with a record of three wins, two ties, and five losses.

Late in the season, a night game, the first in the history of L.H.S., was played, the league-leading Fayette team being our opponents. The result was a heartbreaking defeat by a 1-0 score. The lone goal was scored in an overtime period.

Lost to next year's team through graduation will be Jim Zeigler, Gary Graham, Ken Myers, Ray Fisher, Mick Shissler, Bill Ort, Bob Partchey, Bob Passmore, Joe Shaffer, Stew Tomlinson, Bill Bossinger, and Snakey Ferguson.

We wish to express our appreciation to our coach, Mr. Hoenstine, for his tireless and sincere help, and wish the best of luck to next year's team.
